Chairman's Statement

“Building the strong foundations for growth”

Dear Shareholders,

We have witnessed yet another successful year. It's my honour and privilege to present before you the 29th Annual Report of your company for the financial year 2023-2024.

Global economic scenario

Amidst simmering geopolitical tensions with the growing intensity and frequency of extreme weather events resulting in increased underlying risks and vulnerabilities, several large economies have shown remarkable resilience and the global economic growth outperformed expectations in 2023.

Indian economy remained persistent with a robust growth rate of 7.6% of GDP in FY 2023-24 which is over and above 7% growth rate recorded in FY 2022-23. India has been a key growth engine for the world, contributing 16% to the global growth in 2023.

Performance and operational highlights

Your company's standalone performance for the FY ended 31st March, 2024 is as follows:

- 1) Revenue cloaked at INR 4,15,987 lakhs with an increase of 36.30% compared to INR 3,05,206 lakhs in the FY 2022-23.
- 2) Net profit is INR 1,305 lakhs as compared to INR 461 lakhs in the FY 2022-23, which is an increase of 183.08%.
- 3) Return on Capital Employed is pegged at 0.42 as compared to 0.19 for the FY 2022-23 and the Return on Equity is 0.35 as compared to 0.16 for the FY 2022-23.
- 4) The current ratio of the Company is significantly higher at 2.81 indicating a healthy liquidity.

Way forward..

Our focus will be, the best rates in the market, expansion of the network of branches coupled with the highest quality of customer service. We strive hard and endeavour to position ourselves as a leader in the Foreign Exchange Market.

Welcome note

I am delighted to welcome our new Directors on Board:

- i) Mr. Khivraj Naresh Kumar, Independent Director
- ii) Mr. Amarendra Sahoo, Independent Director
- iii) Mr. Rajesh Gurdas Wadhwa, Independent Director

I express my best wishes to them and look forward to their valuable inputs for the growth of the Company.

Gratitude note

Before I close, I would like to thank all our shareholders, valuable customers, banking partners and our sincere employees for their continued trust, confidence, and support as we are geared up to make concerted efforts that shall propel Prithvi to unleash the potential for the next level of growth.

Regards,

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

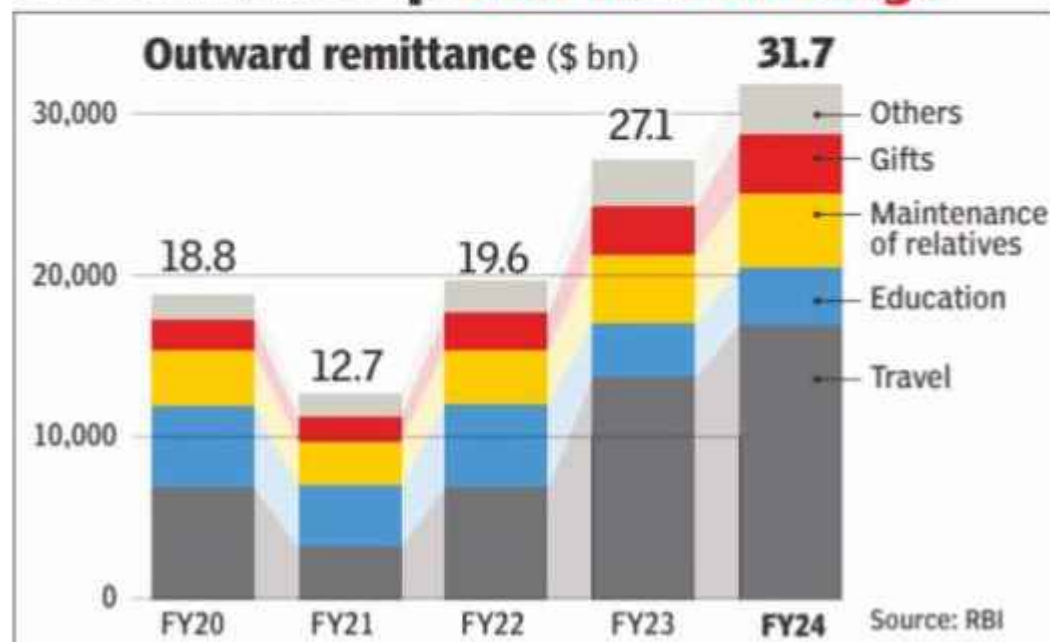

MARKET SCENARIO

Indians spent over \$31.7 billion overseas under the Liberalized Remittance Scheme in the FY 2023-24 as compared to \$27.1 billion for the FY 2022-23 marking an increase of 17%. This surge was fuelled predominantly by overseas travel boom which reached \$17 billion in FY2024 showing an increase of 24.5% compared to \$13.6 billion in the previous year.

Foreign travel for Indians accounted for over 53 per cent of the total outflows in FY2024, emerging as the country's primary source of remittance outflow. The heightened interest in foreign travel among Indians can be linked to the increase in disposable income and the growth of the middle class. The VISA free entry to Thailand, Malaysia and Singapore has further accelerated the boom.

Overseas education is no longer the second largest contributor in the forex spending. In the Covid era, education accounted for 30% of the total remittances primarily due to subdued travel. Soon after travel restrictions were lifted, overseas education spending took a downturn which amounts to \$3.47 billion from \$3.42 billion in the previous year. This position is taken up by the expenditure on maintenance of relatives abroad which increased from \$4.17 billion to \$4.61 billion.

*EVOLVING REGULATORY FRAMEWORK

In view of the accelerated universal reach of financial services due to various financial inclusion initiatives, increasing integration of the Indian economy with the global economy, digitisation of payment systems, evolving institutional structure, etc. over the last two decades, Reserve Bank has reviewed the extant authorisation framework under FEMA with an objective to further improve the ease with which foreign exchange transactions can be undertaken by users, and at the same time strengthen the regulatory oversight/framework governing Authorized Persons. In this regard, RBI has come up with the following additions to the authorization framework under FEMA:

Perpetual authorization:

Presently, the authorisation to entities desirous of operating as AD Category-II is granted initially for a limited period subject to renewal. However, to reduce the regulatory burden as also to enhance the ease of doing business, it is proposed to renew an existing authorisation as an AD Category-II on a perpetual basis, subject to meeting the revised eligibility criteria laid down in the new regulatory framework.

Expanded functions of AD Category-II:

With a view to expand the scope of business, and to encourage innovation/competition leading to better consumer experience, it is proposed to allow AD Category-II entities to additionally facilitate trade-related transactions up to a value of ₹15 lakh (per transaction).

HEADWINDS AND TAILWINDS

The year 2023-2024 saw a record high year for Prithvi exchange with all-time growth in business turnover & profits. All verticals such as bank notes, corporate sales and retail sales had shown a good growth compared to previous year and pre-covid era.

Student business:

Education business had shown a slight momentum during the first half but later had a flat performance owing to the macro-economic and geo-political issues followed by stringent measures imposed by Canadian government to restrict student inflows. Our assumptions are that such conditions will prevail during the financial year 2024-25 and spill up to second quarter of FY 2025-2026.

Many countries such as United Kingdom and Australia are facing similar situations wherein measures have been imposed by the government to reduce student inflows. Overall the segment reported a flat growth during the FY2023-24 vis-à-vis FY 2022-23. Your company is actively engaging and discussing with other allied service providers of education business to improve the market share and grow this segment.

Retail segment: The King:

The retail segment overall registered tremendous growth with new expansions of 7 branches across the country. The market also had a tail wind with support coming from few countries like Thailand, Sri Lanka etc making it visa free arrival for Indian tourists. Business visits have gradually improved wherein SME's and IT/ITE's have started travelling abroad basis growing business environment.

RISKS AND CONCERNS

Your Company is exposed to foreign currency price fluctuations. Depreciation of Currency has some business impact, as there is postponement of transactions by customers during periods of extreme volatility.

We are exposed to credit risk as corporate require minimum processing time for sale and encashment of currency notes, prepaid cards etc.. However this risk is mitigated by Customer Acceptance Policy and Credit Policy where a customer is profiled as per his business type, market standing, financial strength and limits are monitored with system level controls.

Further the economic and political conditions of the country, increase in competition and reduction in profit margins can adversely affect the performance of the Company.

INTERNAL CONTROLS AND RISK MANAGEMENT

Your Company has adequate system of internal controls in place which has been designed to provide a reasonable assurance with regard to maintaining of proper accounting controls, monitoring of operations, protecting as set from unauthorized use or losses, Adhering compliance and regulations to ensure the reliability and integrity of reporting financial information.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES

As on 31st March, 2024, there were 203 employees in the Company. Your Company continuously takes steps to maintain a competitive, healthy and harmonious work environment.

FUTURE PROSPECTS

Based on market analysis, market trends, market research and position:

There has been a massive reduction in the Education remittances which is unstable till this year end and would continue to affect the travel flow.

Prospective areas to enhance our business are-

- (i) Government of India - Ministry tie-ups,
- (ii) Corporate tie-up,
- (iii) Banks' referral,
- (iv) Institutional tie-ups,
- (v) Cash to Master and
- (vi) Ancillary products like Travel Insurance business
- (vii) Effective Branch network optimizations (Multiple branches in Tier 1 cities / multiple branches in a state)

The Company is also looking to expand its operations in the Indian subcontinent as well as International locations like Singapore, Dubai and other Asian and Middle East countries.

Based on position and status of money changing business in the recent days:

Forex correspondents will operate under a principal agency model under which designated banks or AD category II will act as principal entity. This model will ease the operational efficiency while maintaining necessary checks and balances of AD category II.

Forex correspondents will widen the access of foreign exchange to the residents and tourists of India ensuring efficient customer satisfaction and services through competition.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF PRITHVI EXCHANGE (INDIA) LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of M/s Prithvi Exchange (India) Limited ("the Company"), which comprises the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024 and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We do not have any key audit matters that needs to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information.

The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

·Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

·Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

·Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

·Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

·Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

. Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account and with the returns received from the branches not visited by us.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company does not have any pending litigations which would impact its standalone financial position.

(ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

(iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

(iv)(a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c)Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v)(a)The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

(b) The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.

(c) The Board of Directors of the Company has not proposed any final dividend for the year.

(vi)Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31st March, 2024, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 01st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of M/s Prithvi Exchange (India) Limited of even date.)

Report on the Internal Financial Controls over Financial Reporting under clause(I) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s Prithvi Exchange (India) Limited (“the Company”) as of 31st March, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Current liabilities include current portion of noncurrent financial liabilities.</p> <p>Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.</p> <p>2.4</p> <p>Use of estimates and assumptions</p> <p>The preparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.</p>

2.5 Property, plant and equipment

Property, plant and equipments are stated at historical cost less accumulated depreciation. Cost comprises of purchase price and other attributable costs , if any , in bringing the assets to its working condition for its intended use.

Depreciation

(i) Depreciation on Property, plant and equipment is provided for on Straight Line method in the manner prescribed in Part C of Schedule II of the Companies Act,2013 and reckoning the maximum residual value @ 5% of the original cost of the asset.

(ii) In respect of addition of assets during the year, depreciation has been provided on Pro-rata basis:

2.6 Inventories

Stocks are valued at cost or net realizable value whichever is less.

2.7 Revenue recognition**Income from forex**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from the sale of currencies is recognised when the significant risks and rewards of ownership of the currencies have passed on to the buyer, usually on delivery of the currencies, and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of currencies. Revenue from the sale of currencies is measured at the fair value of the consideration received or receivable, net of trade discounts, other direct expenses and volume rebates.

Interest Income

Interest income is recognised on the time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Commission receipts

Commission receipts are recognised on accrual basis.

2.8 Employee benefits**(i) Short-term employee benefits**

Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

(ii) Post Employment benefits**(a) Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Contributions paid/payable for Provident Fund of eligible employees is recognized in the statement of Profit and Loss each year.

(b) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Post employment benefits are recognized as an expense in the statement of profit and loss for the year in which the employee has rendered services. The calculation of defined benefit obligation is performed by a qualified actuary using the projected unit credit method.

2.9	<p>Financial instruments</p> <p>Financial instruments are recognised when the Company becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.</p> <p>(A) Financial Assets</p> <p>The Company determines the classification of its financial assets at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.</p> <p>The financial assets are classified in the following measurement categories:</p> <p>a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and</p> <p>b) Those to be measured at amortised cost.</p> <p>For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss as incurred. Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.</p> <p>(i) Amortised Cost</p> <p>The Company classifies its financial assets as at amortised cost only if both of the following criteria are met:</p> <p>a) The asset is held within a business model with the objective of collecting the contractual cash flows, and</p> <p>b) The contractual terms give rise or specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.</p> <p>Financial assets at amortised cost include loans receivable, trade and other receivables, and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment.</p> <p>Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the Statement of Profit or Loss as other income.</p> <p>(ii) Fair value through other comprehensive income</p> <p>Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, and interest revenue which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.</p> <p>(iii) Financial assets at fair value through profit or loss</p> <p>The Company classifies the following financial assets at fair value through profit or loss:</p> <p>a) Debt investments that do not qualify for measurement at amortised cost;</p> <p>b) Debt investments that do not qualify for measurement at fair value through other comprehensive income; and</p> <p>c) Debt investments that have been designated at fair value through profit or loss.</p> <p>Derecognition of financial assets</p> <p>The Company derecognises a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.</p> <p>(B) Financial Liabilities</p> <p>The Company determines the classification of its financial liabilities at initial recognition.</p> <p>Classification</p> <p>The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.</p> <p>Initial recognition and measurement</p> <p>Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. Loans and borrowings, payables are subsequently measured at amortised cost.</p> <p>Derecognition of financial liabilities</p> <p>A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.</p> <p>(C) Equity investments</p> <p>All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.</p> <p>If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.</p>

2.10	<p>Cash and cash equivalents</p> <p>Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash, cheques on hand and short-term deposits, as defined above.</p>
2.11	<p>Taxation</p> <p>A. Current Tax</p> <p>Current income tax is measured at the amount of tax expected to be payable on the taxable income for the year.</p> <p>B. Deferred Tax</p> <p>Deferred tax is recognised on temporary differences between carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.</p> <p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on the tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.</p> <p>Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.</p>
2.12	<p>Segment accounting</p> <p>The Company operates in a single segment i.e. trading of foreign currencies and hence not call for segmentwise disclosure of assets, liabilities, revenues or expenses as prescribed under Indian Accounting Standard 108 on "Operating Segments".</p> <p>The Company operates mainly in Indian market and there are no reportable geographical segments.</p>
2.13	<p>Provisions, Contingent Liabilities and Contingent Assets</p> <p>A. Provisions</p> <p>Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.</p> <p>B. Contingent liabilities</p> <p>Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount can not be made.</p> <p>C. Contingent assets</p> <p>Contingent assets are disclosed, where an inflow of economic benefit is probable.</p> <p>Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.</p>
2.14	<p>Statement of Cash flows</p> <p>Cash flow are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals of accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and finance activities of the Company are segregated.</p>
2.15	<p>Earnings per share</p> <p>Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.</p>
2.16	<p>Dividend to Equity Shareholders</p> <p>Final Dividend to equity shareholders is recognised as a liability and deducted from shareholder's equity in the period in which the dividends are approved by the equity shareholders in the general meeting. Interim dividends to equity shareholders is recognised as a liability and deducted from shareholder's equity in the period in which the dividends are approved by the board of directors.</p>

Independent Auditor's Report on Consolidated Financial Statements

To the Members of
M/s Prithvi Exchange (India) Limited

Opinion

We have audited the accompanying consolidated financial statements of **M/s Prithvi Exchange (India) Limited** ("the Company"), its subsidiary and its associate (collectively referred to as "the Company" or "the Group"), comprising of the consolidated balance sheet as at 31st March 2024, the consolidated statement of profit and loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2024 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statement in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We do not have any key audit matters that needs to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the IndAS and other accounting principles generally accepted in India. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

1. a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The consolidated balance sheet, the consolidated statement of profit and loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Company as on 31st March, 2024 taken on record by the Board of Directors of the Company and the report of the statutory auditors of its associate company incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31st March, 2024 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and its associate company incorporated in India and the operating effectiveness of such controls, refer to our separate report in **Annexure A**.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The company does not have any pending litigations which would impact its consolidated financial positions;
- ii. The company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company or the associate company incorporated in India.
- iv. (a) The respective Managements of the company and its associate whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its associate to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or its associate ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Management of the company and its associate whose financial statements have been audited under the Act, have represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or its associate from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or its associate shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the company and its associate whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

(b) The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.

(c) The Board of Directors of the Company has not proposed any final dividend for the year.

(vi) Based on our examination, which included test checks, performed by us on the group, we report that the group, except for its subsidiary and its associate, have used accounting software for maintaining its books of account for the financial year ended 31st March, 2024, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

The subsidiary and the associate have used accounting software for maintaining its books of account for the financial year ended 31st March, 2024, which does not have a feature of recording audit trail (edit log) facility.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 01st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024..

2. With respect to the matters specified in paragraphs 3(xxi) of the Companies (Auditor's Report) Order, 2020 (the "Order/CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company, its subsidiary and its associate included in the consolidated financial statements, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure - A to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of **M/s Prithvi Exchange (India) Limited ("the Company")** as of 31st March 2024, we have audited the internal financial controls with reference to the financial statements of the Company and its associate, which are incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the company and its associate which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the company and its associate, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective entity's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

2	<p>Basis of preparation of financial statements</p>
2.1	<p>Basis of preparation and compliance with Ind AS These Consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.</p>
2.2	<p>Basis of consolidation M/s Prithvi Exchange (India) Limited (hereinafter "PEIL") consolidates the financial of those entities which it owns or controls. The consolidated financial statements comprise the financial statement of one of its subsidiary (i.e M/s Octagon Insurance Broking Private Limited) in which PEIL owns 99.998% of the shareholdings as at the reporting period and one of its associate company (i.e M/s Prithvi Global FX Private Limited) in which PEIL owns 40% of the shareholdings as at the end of the reporting period. Control exists when the parent has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. The financial statements of the subsidiary and the associate company are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These consolidated financial statements are prepared by applying uniform accounting policies in use at the Group.</p>
2.3	<p>Current and non-current classification The Group presents assets and liabilities in the Balance Sheet based on current / non-current classification. An asset is classified as current if it satisfies any of the following criteria: a) It is expected to be realised or intended to be sold in the Group's normal operating cycle. b) It is held primarily for the purpose of trading. c) It is expected to be realised within twelve months after the reporting period, or d) It is a cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period</p> <p>All other assets are classified as non-current</p> <p>A liability is classified as current if it satisfies any of the following criteria: a) it is expected to be settled in the Group's normal operating cycle, b) it is held primarily for the purpose of trading, c) it is due to be settled within twelve months after the reporting period d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.</p> <p>The Group classifies all other liabilities as noncurrent. Current liabilities include current portion of noncurrent financial liabilities. Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.</p>
2.4	<p>Use of estimates and assumptions The preparation of these consolidated financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Consolidated financial statements.</p>

2.5 Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management. The Group depreciates property, plant and equipment over their estimated useful lives using the straight-line method.

Depreciation

(i) Depreciation on Property, plant and equipment is provided for on Straight Line method in the manner prescribed in Part C of Schedule I) of the Companies Act, 2013 and reckoning the maximum residual value @ 5% of the original cost of the asset.

(ii) In respect of addition of assets during the year, depreciation has been provided on Pro-rata basis.

2.6 Intangible assets

Intangible assets are amortized over a period of 5 years.

2.7 Inventories

Stocks are valued at cost or net realizable value whichever is less.

2.8 Revenue recognition

Income from forex

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Revenue from the sale of currencies is recognised when the significant risks and rewards of ownership of the currencies have passed on to the buyer, usually on delivery of the currencies, and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of currencies. Revenue from the sale of currencies is measured at the fair value of the consideration received or receivable, net of trade discounts, other direct expenses and volume rebates.

Interest income

Interest income is recognised on the time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Commission receipts

Commission receipts are recognised on accrual basis.

2.9 Employee benefits

(i) Short-term employee benefits

Short term employee benefits are recognized as an expense at the undiscounted amount in the consolidated statement of profit and loss of the year in which the related service is rendered.

(ii) Post Employment benefits

(a) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Contributions paid/payable for Provident Fund of eligible employees is recognized in the consolidated statement of Profit and Loss each year.

(b) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Post employment benefits are recognized as an expense in the consolidated statement of profit and loss for the year in which the employee has rendered services. The calculation of defined benefit obligation is performed by a qualified actuary using the projected unit credit method.

2.10 Financial instruments

Financial instruments are recognised when the Group becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Group commits to purchase or sell the assets.

(A) Financial Assets

The Group determines the classification of its financial assets at initial recognition. The classification depends on the Group's business model for managing the financial assets and the contractual terms of the cash flows.

The financial assets are classified in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those to be measured at amortised cost.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss as incurred. Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments.

(i) Amortised Cost

The Group classifies its financial assets as at amortised cost only if both of the following criteria are met:

- The asset is held within a business model with the objective of collecting the contractual cash flows, and
- The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

Financial assets at amortised cost include loans receivable, trade and other receivables, and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the consolidated statement of profit or loss. The losses arising from impairment are recognised in the consolidated Statement of Profit or Loss in other expenses.

(ii) Fair value through other comprehensive income

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, and interest revenue which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss

The Group classifies the following financial assets at fair value through profit or loss:

- Debt investments that do not qualify for measurement at amortised cost;
- Debt investments that do not qualify for measurement at fair value through other comprehensive income; and
- Debt investments that have been designated at fair value through profit or loss.

Derecognition of financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

(B) Financial Liabilities

The Group determines the classification of its financial liabilities at initial recognition.

Classification

The Group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. Loans and borrowings, payables are subsequently measured at amortised cost.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

(C) Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

2.11	<p>Cash and cash equivalents</p> <p>Cash and cash equivalent in the consolidated balance sheet comprise cash at banks, cash on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash, cheques on hand and short-term deposits, as defined above.</p>
2.12	<p>Taxation</p>
	<p>A. Current Tax</p> <p>Current income tax is measured at the amount of tax expected to be payable on the taxable income for the year.</p>
	<p>B. Deferred Tax</p> <p>Deferred tax is recognised on temporary differences between carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.</p>
	<p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on the tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.</p>
	<p>Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.</p>
	<p>Segment accounting</p> <p>The Group operates in a single segment during the year under audit i.e. trading of foreign currencies and hence does not call for segmentwise disclosure of assets, liabilities, revenues or expenses as prescribed under Indian Accounting Standard 108 on "Operating Segments". The operation of the subsidiary company (i.e. Insurance Broking) has not been commenced since the subsidiary had applied for licence to carry on the business of insurance broking to the IRDAI and the approval from IRDAI has not been received as at the end of the reporting period.</p>
	<p>The Group operates mainly in Indian market and there are no reportable geographical segments.</p>
	<p>2.14 Provisions, Contingent Liabilities and Contingent Assets</p>
	<p>A. Provisions</p> <p>Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.</p>
	<p>B. Contingent liabilities</p> <p>Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount can not be made.</p>
	<p>C. Contingent assets</p> <p>Contingent assets are disclosed, where an inflow of economic benefit is probable.</p>
	<p>Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.</p>
	<p>2.15 Leases</p> <p>The Group makes an assessment, as per IndAS 116, on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.</p>
	<p>2.16 Statement of Cash flows</p> <p>Cash flow are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals of accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and finance activities of the Group are segregated.</p>
	<p>2.17 Earnings per share</p> <p>Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.</p>
	<p>2.18 Dividend to Equity Shareholders</p> <p>Final Dividend to equity shareholders is recognised as a liability and deducted from shareholder's equity in the period in which the dividends are approved by the equity shareholders in the general meeting. Interim dividends to equity shareholders is recognised as a liability and deducted from shareholder's equity in the period in which the dividends are approved by the board of directors.</p>
